SELLING POINTS

1. New Disorder's music sounds like no one! It takes inspirations from very different styles, flowing in a unique, solid sound made by fast drumming, relentless guitar riffs and catchy melodies
2. The songs have some powerful, strong, groovy verses, while most choruses are designed to make the crowd "sing along" and make audience involved when the band is on stage.
3. Enjoy the powerful, energetic and emotional live performances of New Disorder: they know how to connect themselves to their audience. Their shows are kind of a "total party" where the band always interacts with their fans.
